

WELCOME TO THE NEW ACADEMIC YEAR 2021-2022

Hearty welcome to the academic year 2021-2022 with new hopes and expectations in these challenging days of wide spread of pandemic. Let's all stay home and stay connected virtually. Innovation in education is the key to our success. Learning is continuous from womb to tomb. We step forward to do what is best for our children even in this pandemic era. No child should be left behind. We will continue with our online mode of learning effectively. As we move forward, we shall focus more conceptual learning, higher-order thinking skills, learning by doing, exploration which supports our students to be happy and confident. Let's work together with mutual trust and understanding for every student to have a successful year.
